BATTLEBOARD

THE FUTURE OF TABLETOP GAMING

BATTLEBOARD standard modular design prototype:

BATTLEBOARD

THE FUTURE OF TABLETOP GAMING

BATTLEBOARD unfolds to reveal five square spaces for insertable tiles.

The Tiles are interchangeable for seamless transition between board games.

Each game providing for a unique experience with unique characters, tokens, art work, and mechanics.

BATTLEBOARD

THE FUTURE OF TABLETOP GAMING

BATTLEBOARD presents itself as a board game console or platform.

One board that can play multiple games across different genres.

Designed to create anything from free roaming games to staged, patterned, and linear games.

On closed position the reverse side of the tiles can display brand box art for collectors.

BATTLEBOARD

THE FUTURE OF TABLETOP GAMING

This presentation contains 7 example games, discussing some game play mechanics, components, and lore.

Most of these games are play-tested, while others are still in development.

This presentation will also highlight special features of the BATTLEBOARD platform, as well as future plans.

First up, Coqui & Tito Battlegrounds.

COQUI & TITO: BATTLEGROUNDS

NINJAS CON SALSA: BATTLEGROUNDS

AIM: BATTLEGROUNDS

GRAFFITI WARZ

STACKBLOCKS

CONQUER ROYALE

BATTLEBOARD (a Fortnite inspired game

HONORABLE MENTIONS

BATTLE OF THE GODS

RANSACK (a Little Big Planet inspired game)

BATTLEBOARD

THE FUTURE OF TABLETOP GAMING

Coqui & Tito: Battlegrounds

Based on an original children's series and franchise "Coqui & Tito" where a Coqui frog and Galapagos Tortoise team up and join with other animals to save the world from predators and environmental dangers.

Coqui & Tito Battlegrounds sees the characters battle in battle royale fashion, with multiple ways to play.

COQUI & TITO: BATTLEGROUNDS (playtested)

BATTLEBOARD

THE FUTURE OF TABLETOP GAMING

Coqui & Tito: Battlegrounds

On the board, the game can be played 2-4 players in free-for-all and team match ups.

The game provides tiles, dice, tokens, and cards.

Unique feature allows gamers to take the game on the go with just the cards and a pair of dice.

REDACTED REDACTED

REDACTED REDACTED

COQUI & TITO: BATTLEGROUNDS (playtested)

COQUI — HP 420

OFFENSE

QUICK ATTACK	30
COCOTASO	50
COQUI CALL	20
Coqui does his famous "coqui" call, distracting his opponent; rendering them unable to attack or defend in this turn, while delivering a sneak attack.	
KICKFLIP	40
FROG SPLASH	50
FLUTTER KICKS	10 X ROLL

DEFENSE

AGILITY	
Coqui's swift reflexes allows him to dodge odd number attacks.	
BLOCK	DEF 20
CAMOUFLAGE	MISS
COQUI SONG	
Coqui's famous whistle puts opponent to sleep for this turn and the next.	
REGENERATE	+80HP
LEAP	MISS

ELDORA — HP 480

OFFENSE

SKY DIVE	70
SCRATCH	20
PECK	40
QUICK ATTACK	30
SKY DROP	ROLL X 20
Eldora picks up her opponent and drops them; roll a die, the higher the roll the higher Eldora goes and the harder the fall.	
EAGLE EYE	
Eldora uses her keen sight to spot enemy weak spots. Roll die again for another attack and multiply by 2.	

DEFENSE

AIR ROLL	
Roll die, if ODD no effect, if EVEN attack misses.	
BAG OF WORMS	
Eldora drops a bag of worms on her opponent, disorienting them. If attack is rolled, opponent does damage to self, defensive moves are ineffective.	
EAGLE STARE	
Petrifies opponent making them unable to attack or defend for one turn.	
COVER	DEF 20
FLY HIGH	MISS
WIND GUST	
Sends opponent's attack back at half damage to self.	

BATTLEBOARD

THE FUTURE OF TABLETOP GAMING

Ninjas Con Salsa: Battlegrounds

Based on an original series “Ninjas Con Salsa.” A troubled teen whose military enlistment saved him from the street life; comes back to help youth in similar situations. He forms a Ninja school enrolling kids who will eventually become superheroes.

Like Coqui & Tito, Ninjas Con Salsa sees the characters from the series face off in 2-4 Player combat.

THE FUTURE OF TABLETOP GAMING

Where is Battleboard now?

Currently in development, in prototype stage.

Battleboard is intended to play a multitude of games of various scales and styles

As of right now, “Coqui & Tito: Battlegrounds” is available for sale as a standalone board game. Five 6X6 1” squares make up the board, coming in a compact box.

BATTLEBOARD

THE FUTURE OF TABLETOP GAMING

Where is Battleboard now?

Battleboard is exploring designs where the box is the board; with durable material that allows the board to connect magnetically when folded closed.

Purchasing a Battleboard system once allows you to play all of the games designed for it, giving the consumer access to a growing catalog of games.

BATTLEBOARD

THE FUTURE OF TABLETOP GAMING

Where is Battleboard headed?

Battleboard seeks for developers in the board game space and licensed franchises to develop games for its platform.

Fans can enjoy seeing some of their favorite characters across different franchises face off in our unique game mechanics.

From Battle Royale to squad-based skirmishes there are many ways to play.
